You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

The Presiding Officer has reviewed the evidence presented in this matter and hereby finds that Petitioner should prepare and file a late-filed exhibit on or before Wednesday, February 23, 2005, addressing the following issues:

1. Would the Pittsboro plant bypass Vectren North if the balancing tolerances were tightened?
2. Please explain why the daily balancing tolerance is 100% in the first five (5) years for the Pittsboro plant.
3. Please explain whether and to what extent the GCA customers will bear any costs resulting from Petitioner's revised balancing tolerance provisions.

IT IS SO ORDERED.
